A THANKFUL HEART

What a powerful time we've had this fall. This has been one of the busiest and most fruitful seasons of our lives. It is an honor to partner with Jesus in loving and preparing His bride for His return. September was marked with our first "RADIANT NATION" conference in north east Ohio! With this conference came refined strategy for our own ministry, in regards to equipping regions in prayer and evangelism. I'm excited about what God is birthing through the **RADIANT NATION conferences.**

In October we did a 10 day trip to Tennessee and Alabama. I greatly enjoyed our 2 days with the "Thunder School" in Nashville, assisting in forging prophetic musicians for the harvest! We were also honored to partner with several regional churches and houses of prayer, encouraging them through worship, preaching and prophetic ministry. November was packed with a 15 day trip to Arizona! We hosted our second (ever) RADIANT NATION conference in Phoenix, as well as participated in leading a student initiative called Eleven11. We ministered nightly in worship and speaking at regional churches. I know God has great things in store for Arizona!

Be in prayer for Radiant Worship and our Radiant Nation team. Our families are growing, and we are not meeting our financial needs through our current means of traveling, and support. Thus we have to take a hard look at continuing to be obedient to Jesus, while adjusting to the financial pressure most of the nation is experiencing. **We are not backing down by any means, but believe the Lord has wisdom for all of us.**

Multiple initiatives are opening up including the expansion of our RADIANT NATION conferences, participation in "the Response" prayer rallies, and a deeper involvement with IHOP and our "Awakening Teen Camp," all for the harvest and the raising up of generations.

We'd love for you and / or your church to prayerfully consider sowing into the Radiant mandate by making a monthly commitment for 2012! Let's fuel the kingdom!
