NEW BEGINNINGS!

2010 began with the loss of all our music equipment and the painfully-sweet parting of several long-standing team members. The year is ending with the restoration of all our equipment, a wedding, a new music project, countless souls impacted, and a new adopted baby! **PRAISE**

GOD! Eighty plus ministry events later, this new team has on the spiritual army boots! And, I believe has been prepared to do even greater exploits for our King, Jesus. **The fields are white for harvest**, may He reap sons and daughters throughout the earth! The year ended with a fruitful ministry trip to the southwest. 5 events, taking us from Texas to Arizona. Several were youth gatherings in which many young people repented and gave their lives to the Lord. This trip was cut short, due to the arrival of our adopted son, **Tristan Arthur Aiden Clark!**

2011 YEAR OF EXPANSION!

2011 is a year of great expansion and we are extending the borders of our faith, seeking first the Kingdom, believing all things will be added. One thing that became painfully obvious to us this year is that **we need to grow in our financial partner friends and family.** (We are truly strengthened by our existing ministry partners!) The nature of what we do is expensive, road trips, sound equipment, honorariums for team members. We now have 3 married couples and 6 children in the ministry families! WOW! These are all good things!, We all have our part to play in faith! **We would love for you to extend your faith and run with us on a monthly basis financially in 2011.** Please pray that God would raise up spiritual fathers and mothers, and "Cyrus's" who will fund the work of the ministry. To partner, you can send in your first donation to our address or log on to www.radiantnation.org and click on the "partner" tab. For His glory, we love you - Richy Clark
